LISTINGS

Encompass Lighting Group systems are listed by the major testing laboratories ETL and CSA. Some products have an additional listing by Underwriters Laboratories (UL). Our system products are listed only when used as a complete system; that is, when all components, including transformers, have been provided by Encompass Lighting Group. Substituting another manufacturer's product will render the listing completely void. Encompass Lighting Group will be removed from liability and any insurance to which you may be entitled will be jeopardized.

TECH LIGHTING®

STATEMENT OF WARRANTY

Encompass Lighting Group warrants all products manufactured by Encompass Lighting Group to be free from defects in material and workmanship under normal use for a period of one year after the date of original purchase. Upon confirmation of a defect or failure, at our discretion we will repair or replace the item or will refund your purchase price if repair or replacement is not possible or practical. Our warranty covers only the product itself; we will assume no liability for labor costs, installation costs, or other losses.

Your warranty rights will be honored only when the product has been installed and used properly. Encompass Lighting Group will not repair or replace products damaged by improper use or faulty installation.
